<http://www.baniautoindustries.com/>

We are one of the reputed manufacturers and suppliers of an exclusive range of **Automotive Electrical Parts**. Our range is manufactured in accordance with international quality standard and has received vast appreciations.

## About Us

Established in the year **1994**, **Bani Auto Industries**, has become one of the leading **manufacturers, suppliers** and **exporters** of a comprehensive range of **Automobile Switches And Accessories**. We are an **ISO 9001:2008 certified**. The range offered by us is manufactured in compliance with the international quality standard. As we are quality driven organization, hence we ensure to deliver qualitative products to our esteemed clients. We have received various appreciations for the unmatched quality features of our product range.

**Bani Auto Industries** is developed with advanced technology and modern amenities and tools, which allows us to manufacture our products in accordance to the advanced technology. These equipment and machinery are kept in working condition in order avoid any kind of production hassle. We have segregated our infrastructure in various units such as production unit, quality testing laboratory, R&D unit, warehouse and packaging unit. All the units are stringently supervised by our efficient and hard working team of professionals, who has vast industrial experience and are abrupt about the latest technology.

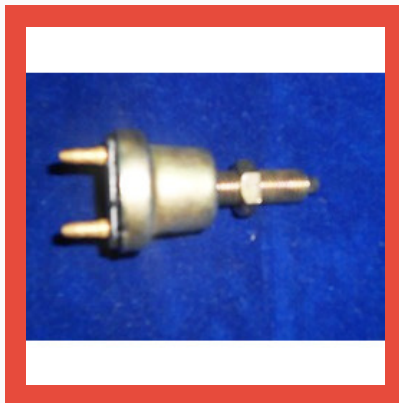

Under the able guidance of our mentor, **Mr. Alok Kumar Ghosh**, we have established our position as one of the most prominent manufacturers. His vast industrial experience and in-depth process knowledge has enabled us to reach the heights of success. Further, the continuous untiring effort of our team has driven us on the path of success and has helped us achieve a huge client base across the nation. We have won the trust of our clients' and have developed a long term business relationship with them.
